

WARGAME SHIPS

Sailing Ship Models

These Scruby sailing ship models are of the early 1800 period – Suitable for Napoleonic, American Revolution and the War of 1812 wargames.

The masts (and sails) are cast separately and are thus removable from the hulls when “shot” down during a game. The sails are numbered so they can be attached to the right models after a naval battle.

Ship Type	Length	Use Sails Numbered
BRIG	1 1/4"	1 & 5
CORVETTE	1 1/2"	1 - 2 - 5
FRIGATE	2"	2 - 3 - 5
TWO DECKER	2"	2 - 4 - 5
THREE DECKER	2 1/2"	2 - 4 - 5
